Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Sunday 08 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain and showers into Monday, easing later.

This Evening and Tonight:
Remaining rather cloudy and breezy during the evening and overnight, with the risk of further spells of rain punctuated by heavy showers, particularly over the Pennines. Minimum temperature 10 deg C (50 deg F).

Monday:
Starting mainly cloudy with spells of rain, but probably giving way to a brighter, more showery afternoon. The showers may be locally thundery with hail, fading by evening. Winds easing. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Probably becoming more settled in this period. Some showers remain possible, and perhaps some rain into Thursday, but drier and brighter weather should become more prevalent. Temperatures near normal.
